On January 9, 1998, Auxier Water Company ("Auxier Water") applied to the Commission for authority to construct a waterline extension project and for approval of its plan of financing for said project. In its filing, Auxier Water requested permission to deviate from the requirements of 807 KAR 5:001, Section 6(9).

807 KAR 5:001, Section 6(9), requires the submission of a detailed income statement and balance sheet for a 12-month period ending not more than 90 days prior to the date of the application. Having reviewed the filing and being otherwise sufficiently advised, the Commission finds that the information filed therein is sufficient to enable the Commission to review adequately Auxier Water's filing. Therefore, its request for permission to deviate from the above-cited regulation should be granted.

IT IS THEREFORE ORDERED that Auxier Water's request for permission to deviate from the requirements of 807 KAR 5:001, Section 6(9), is hereby granted.
